Partnering with Teachers, Scholars, and Researchers Every Day

Bedford/St. Martin’s is proud to work with accomplished teachers and scholars who know how to bring their ideas to the classroom in innovative and engaging ways.

Congratulations to the editors of Students’ Rights to Their Own Language Resolution: A Critical Sourcebook on its publication.

Staci Perryman-Clark, Western Michigan University
David Kirkland, Michigan State University
Austin Jackson, Michigan State University

Attend the editors’ session (J15) on Friday at 2:00 p.m. Stop by the Bedford/St. Martin’s booth for your free copy of the sourcebook or request your copy at bedfordstmartins.com/teachingcentral.

“For many of us, the assertion of student language rights was inextricable from our national and international quest for social justice. Those of us in the Struggle realistically acknowledged that the Students’ Right to Their Own Language [Resolution] would not be sufficient to achieve our vision of language rights in the pursuit of social justice. But our mission was to call the Question. Students’ Right to Their Own Language: A Critical Sourcebook is a brilliantly conceived collection that continues that tradition.”

—From the Foreword by Dr. Geneva Smitherman, Michigan State University
