Annual Business Meeting of the Conference on College Composition and Communication
Kansas City Marriott Downtown: Colonial Ballroom
8:00–9:15 a.m.

All members of and newcomers to CCCC are invited to attend and vote at the business meeting.

CCCC Chair: Carolyn Calhoon-Dillahunt, Yakima Valley College, WA
CCCC Associate Chair: Asao B. Inoue, University of Washington Tacoma
CCCC Assistant Chair: Vershawn Ashanti Young, University of Waterloo, Ontario, Canada
CCCC Immediate Past Chair: Linda Adler-Kassner, University of California, Santa Barbara
CCCC Secretary: Jessie L. Moore, Elon University, NC
CCCC Executive Secretary/Treasurer: Emily Kirkpatrick, NCTE, Urbana, IL
CCCC Parliamentarian: Rochelle Rodrigo, University of Arizona, Tucson
Established Rules for Conduct of the Annual Business Meeting

1. All voting members should be properly identified, and only members in good standing may vote in the business meeting.
2. A quorum of seventy-five members of CCCC in good standing is required for the transaction of business in this meeting.
3. Anyone wishing the floor should go to a microphone and give their name and institution when recognized by the chair.
4. If procedural rules are adopted by a majority vote of the members present, a two-thirds vote will be required to suspend or amend them.
5. Members may offer for discussion and action a sense-of-the-house motion, as specified in item 4 in the “Basic Rules for the Handling of Resolutions.” Such motions, if passed, will be broadcast to the members, not as an official CCCC statement, but as the wish of the majority of the members voting at the Annual Business Meeting. Sense-of-the-house motions can affect action by the Executive Committee, or another appropriate CCCC body, and can become the substance of a resolution at the next annual convention.
6. *Sturgis’s Standard Code of Parliamentary Procedure* applies on all questions of procedure and parliamentary law not specified in the Constitution, Bylaws, or other rules adopted by CCCC.
7. The Parliamentarian interprets the rules on parliamentary procedures.
8. A secret ballot will be ordered by a motion to vote by secret ballot and an affirmative vote of at least ten members.

Procedural Rules Proposed for Adoption at the Annual Business Meeting

In discussion of resolutions and all other items of business except sense-of-the-house motions:

a. Three minutes will be allowed for each speaker each time.

b. No one may speak a second time on a subject until all who wish to speak have been heard.

c. The presiding officer will attempt to provide a balance in recognizing pro and con speakers. If there are no speakers opposing a motion under consideration, the chair may ask the house to move immediately to a vote in order to expedite the business.
d. Discussion will be limited to no more than fifteen minutes (not including discussion of amendments) on any main motion or resolution; this time may be extended in ten-minute increments by consent of the body.

e. Discussion of an amendment to a motion or resolution will be limited to no more than ten minutes; this time may be extended in six-minute increments by consent of the body.

f. Amendments to amendments will not be accepted, in order to avoid confusion.

In discussion of sense-of-the-house motions:

a. To be considered for deliberation, a sense-of-the-house motion must be prepared in writing, must not exceed 50 words, and must be submitted to the chair in three copies before the call for the adoption of the agenda at the beginning of the business meeting. (Brief prefatory statements in explanation of the motion are not part of the motion and need not be submitted in writing.)

b. A sense-of-the-house motion may not be amended, except for editorial changes acceptable to the mover.

c. Speakers on sense-of-the-house motions shall be limited to two minutes each, except by dispensation of the chair.

d. Discussion of sense-of-the-house motions shall be limited to ten minutes, except by dispensation of the chair.

Basic Rules for the Handling of Resolutions at the Annual Business Meeting

1. A call for resolutions will appear in the February issue of *College Composition and Communication*. Proposed resolutions received by the chair of the Resolutions Committee two weeks before the conference require the signature of only five conference members; however, additional signatures are welcome as a means of indicating the base of support for the resolution.

2. The function of the Resolutions Committee is to review all resolutions presented and to prepare resolutions of its own in areas in which it or the Executive Committee believes conference action is needed. Special attention will be given to including areas covered in sense-of-the-house motions passed at the last Annual Business Meeting. In reviewing resolutions, the Resolutions Committee is responsible for combining all resolutions that duplicate one another in substance and for editing all resolutions.

The Resolutions Committee will report all properly submitted resolutions to the Annual Business Meeting with a recommendation for action.

Resolutions that call for conference action in the areas in which the CCCC Constitution assigns authority to the officers or the Executive Committee will be clearly labeled as advisory to the officers or the Executive Committee.

Resolutions of appreciation may be prepared by the CCCC officers and may be presented by the Resolutions Committee.
The Resolutions Committee will hold an open meeting during the Special Interest Group time period to clarify and discuss these resolutions with concerned conference members. It is especially urgent that the authors of resolutions or their delegates come to this meeting. Although no new resolutions may be added at this time, members suggesting additional resolutions will be informed that they may introduce sense-of-the-house motions at the Annual Business Meeting in accordance with the rule given in item 4 below. The Resolutions Committee will also have a closed meeting after the open meeting to make such editorial and substantive changes as the deliberations of the open meeting may suggest.

3. As necessary, resolutions will be retyped so that complex changes will be incorporated into the copies of the resolutions distributed at the Annual Business Meeting.

   During the report of the Resolutions Committee at the Annual Business Meeting, one member of the Committee will read the “resolved” portion of each resolution and move its adoption. Adoption will require only a simple majority of members present. Action will be taken on each resolution before the next resolution is presented.

   The CCCC officers at their postconvention session will determine the dissemination of, and the action to be taken on, all resolutions adopted.

4. Members may offer sense-of-the-house motions for discussion and action. Such motions, if passed, will be announced to CCCC members, not as official CCCC statements, but as the will of the majority of members at the Annual Business Meeting. Sense-of-the-house motions can affect action by the Executive Committee, or by another appropriate CCCC body, as well as become the substance of a resolution at the next annual convention. In order to be considered, sense-of-the-house motions of no more than fifty words must be presented in writing (three copies) to the chair of the Annual Business Meeting before the adoption of the agenda.
Teacher 2 Teacher
Kansas City Marriott Downtown: Imperial Ballroom
9:30–11:30 a.m. and 12:30–2:30 p.m.

Co-Chairs: Christine Cucciarre, University of Delaware, Newark
Lee Nickoson, Bowling Green State University, Bowling Green, OH

In its inaugural year, Teacher to Teacher (T2T) offers CCCC participants a dynamic new professional development and networking opportunity. Designed as a series of practice-based conversations, T2T provides a space to celebrate teaching. Open to all convention attendees, T2T participants will be invited to learn about a range of activities, assignments, and methods from more than 40 teacher-presenters.

T2T presenters include full- and part-time faculty, graduate and undergraduate students, and aspiring educators as well as colleagues representing secondary, two-year, and four-year institutional homes. After a short welcome and introduction, attendees will select four twenty-minute table presentations per session. Attendees are welcome during any part of the morning and afternoon sessions or as their schedules allow. Table leaders will facilitate discussion following short presentations from two teachers. Visit the Teacher to Teacher website for a complete list of table topics: https://sites.google.com/udel.edu/teacher2teacher. Join us!
