

Project 1 Self-reflection

[Help](#)

Warning: The hard deadline has passed. You can attempt it, but you will not get credit for it. You are welcome to try it as a learning exercise.

Reflection is crucial to growing as a writer. Reflection helps you consider how you can apply what you have learned from one experience to subsequent writing and non-writing occasions. Now that you have finished Project 1: Critical Review, please reflect on what you have learned about yourself as writer. This quiz is credit/no credit: if you complete it, you get credit; if you do not complete it, there will be no credit. Part of the quiz asks you to cut and paste text from your final version of Project 1, so have that available before you begin. The quiz is due April 29, 9:00 a.m. GMT -0400. You can take this quiz as many times as you wish and can apply up to 10 "Late Days" to take it.
